In G.O.No.Ms.2731, Revenue, dated 18-12-1936 the Govt. sanctioned the employment for a period of six months from the date of appointment, of a Deputy Tahsildar with a lower division clerk and two peons to watch the interests of the Govt. and the municipality during the survey of the areas under the jurisdiction of the Bellary Municipal Council.

H 56-57 of Book. No. 43.

Under Rule 127 (Chapter XIII of the Survey Manual, Vol I) the officer in charge of the survey should address the Collector for the appointment of the special officer as soon as the survey and inspection of a sufficient number of blocks has been completed. In his letter dated 7-1-1938 the

Collector reports that the special staff had not been appointed as no requisition had been received

from the officer in charge of the Survey. He reports that the survey of the Bellary municipality is likely to be completed by about February 1938, that the records would be ready for inspection by the Special Officer from 1-3-1938 and requests that the appointment of the special staff may be sanctioned for nine months instead of for six months. The Board of Revenue supports the Collector's proposal.

2. The Chief duties of the special officer are enumerated in Rule 129 of Chapter XIII at page 57 of the Madras Survey Manual, Volume I. The survey having been completed, the special officer will not have to perform the duties enumerated as items (1) and (4).

1 57 of the book.

It is not clear why his employment for a longer per should be asked for by the Collector and the Board. The Board may be told that the special staf sanctioned in G.O.No.2731, Revenue, dated 18-12-193 may now be employed and asked & report whether, in view of the fact that the survey of the municipality has been completed, the period of his employment cannot be curtailed.

3. A draft Memo. is submitted for approval. It may be sent to Finance for acceptance (the case appea Khane applied for the special staff long before it was necessary)

S.

I think the above note is based on a misunderstanding The special staff can never begin to function till the area has been surveyed & the sketches drawn & this is what is meant by "completed" in the letter in the c.f. The special staff then checks & if necessary revises their sketches. It will start the

open for the S.V. to have the
Survey corrected. The procedure
normally contemplated is for the S.O. to
begin to examine the records of
one or two wards are nearly
completed. In this case the is not
anything like one fifth of records
is ready. He will have many
hrs more. The Bd's proposal
may be accepted

The survey of the Bellary Municipality having been completed by about February last, the Collector of Bellary proposes (and the Board of Revenue (and the Revdept) supports (the proposal)), to employ the special staff of 1 Deputy Tahsildar, 1 lower division clerk and 2 peons already sanctioned in G.O. 2731 Rev. dated 18-12-36 to watch the interests of Govt. and the Municipality. The matter has now been reported to Govt., as it is proposed to sanction the employment of the staff for 9 months instead of 6 months for which it was sanctioned in the G.O. referred to. The Board of Revenue has not adduced any special reasons for the change in the period proposed. Two-thirds of the cost on account

account of the special staff is to be recovered* from the Bellary Municipality. In view of the Revenue Secretary's remarks on pages 2-3 ante, this Deptt may agree to the employment of the staff for 9 months. It may be suggested that the necessary contribution on account of leave salary and pension may be specifically directed to be recovered from the Bellary Municipal Council.
